IV – Les mini-books

Now instead of a black house, she had a yellow house with a red roof and a red door. The chairs were white with red and white cushions. The carpet was green with pink roses. The bed was blue, with pink and white sheets and pink blankets. The bath was a gleaming white.

And now, Winnie can see Wilbur no matter where he sits.

Winnie the witch lived in a black house in the forest.
The house was black on the outside and black on the inside.
The carpet was black. The chairs were black. The bed was black and it had black sheets and black blankets. Even the bath was black.

Winnie lived in her black house with her cat, Wilbur. He was black too. And that is how the trouble began.

When Wilbur sat on a chair with his eyes open, Winnie could see him. She could see his eyes, anyway. But when Wilbur closed his eyes and went to sleep, Winnie couldn’t see him at all. So she sat on him.

When Wilbur sat on a carpet with his eyes open, Winnie could see him. She could see his eyes, anyway. But when Wilbur closed his eyes and went to sleep, Winnie couldn’t see him at all. So she tripped over him.
